25X1 MEMORANDUM FOR: [REDACTED]  
Assistant to the Director

25X1 I would certainly not bother the Director with  
[REDACTED] effusions. I would suggest that you acknowledge  
25X1 it for the Director and state that he has turned it over to  
the Deputy for Intelligence for analysis and comment, and  
25X1 thank [REDACTED] for his interest in the problem and express  
appreciation of the unusual personal sacrifice of his time  
which was involved in presenting his views. I suggest that  
you then give the document to Mr. Becker.

Stuart Hedden  
Inspector General
